BHS 24th Annual Winter Art Show

February 5 - March 2, 2025

**VIRTUAL SHOW and LIVE EXHIBIT AT THE BAY
TERRACE SHOPPING CENTER**

OPEN CALL TO ARTISTS

Bayside Historical Society’s annual Winter Art Show features contemporary Queens artists working in all media. As in recent years, the 2025 show will be a combined virtual and live event.

How will this work?

- The show will open at 1:00pm Wednesday, February 5, and close with an afternoon reception for all artists on Sunday, March 2, 2025
- Artists will submit photos of their work, which will be exhibited in virtual “galleries” on the BHS website
- We have once again been invited by The Bay Terrace Shopping Center to exhibit in their store windows. **This part of the show is voluntary.** Artists who choose to participate in the live portion of the exhibit will be required to drop off their own works at Bay Terrace. The logistics will be announced by early January. Artists will remove their works from Bay Terrace at the close of the Sunday reception.

Eligibility

- Open to any artist **age 18 and older** who creates original two-dimensional works in oil, acrylic, pastel, watercolor, digital, multi-media, photography or three-dimensional works in stone, metal, ceramic, fiber, wood, etc.
- **Artists must either reside, work, or attend school in Queens**
- Works previously exhibited at BHS shows are not eligible
- Submissions must be recent works created within the past five (5) years
- We are unable to accommodate video submissions

Details

- Artists may exhibit up to two works. The entry fee is \$20 per work
- Deadline to submit photographs of artwork is **Wednesday, January 8, 2025**. Earlier submission is appreciated to facilitate creation of the online galleries.
- **Image requirements:** Images may be submitted in any of the following formats: JPEG, PNG, GIF, or TIFF. Files must be **high-resolution**, with a recommended minimum resolution of 300dpi. For three-dimensional works, you may submit a maximum of four (4) images of the same piece from different angles in order to show it completely.
- Please utilize the following naming convention for image files: **lastname-firstname_title-of-work**. E.g.: smith-john_montauk-lighthouse-sunset

Judging and Awards:

- Two judges will evaluate the works and determine awards
- All works submitted are eligible for judging, whether they are physically hung or digitally showcased
- The judges' commentary will be posted on the BHS website. Awards will be presented during the artists' reception on Sunday, March 2, 2025
